

REMARKS

Claims 1, 5 and 7-22 are pending in this application. By this Amendment, the title and Abstract are amended as requested and suggested by the Patent Office.

I. Objection to the Title

The title was objected to as allegedly not being descriptive. By this Amendment, the title is amended as suggested by the Patent Office. Accordingly, reconsideration and withdrawal of the objection are respectfully requested.

II. Objection to the Abstract

The Abstract was objected to for including the phrase "There is disclosed." By this Amendment, the Abstract is amended to delete this phrase as suggested by the Patent Office. Accordingly, reconsideration and withdrawal of the objection are respectfully requested.

III. Allowable Subject Matter

Applicants note with appreciation the indication that claims 1, 5 and 7-22 are allowable. In view of the above amendments to the title and Abstract, allowance of the application is respectfully requested.

IV. Conclusion

In view of the foregoing, it is respectfully submitted that this application is in condition for allowance. Favorable reconsideration and prompt allowance of claims 1, 5 and 7-22 are earnestly solicited.

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number set forth below.

Respectfully submitted,

James A. Oliff
